“God’s Work. Our Hands” is an opportunity to live out our faith in service to others. As a church that believes God is calling us into the world together, we share Jesus’ love with our neighbour by serving our local community in several ways through a variety of service opportunities. These opportunities are a natural extension of our Outflow series, as we seek to overflow with God’s love into the world practically through service. There are eight separate projects at seven different organizations.

You are encouraged to sign up for one of these opportunities, coordinate your own service project, or to serve naturally that week.

This is a great opportunity to serve as a family or invite a friend to join you.

Plan to join us worshipping God by serving Him. In all we do, we strive to reflect God’s boundless love for all people.

Sign up after worship service August 17, 24, or 31
